EVENTA ET GLORIA

A Day of Smiles, Sports and Celebrations!

Children's Day was celebrated with great enthusiasm and cheer at Graphic Era Global School. The festivities began with a friendly yet energetic sports match between the male staff and the boys, where the staff outshone the students. Similarly, in the match between the girls and the female staff, the staff emerged victorious. Though it was not a lucky day for the young players, the excitement, sportsmanship, and thrill of the matches were clearly visible.

The celebrations continued with an engaging table tennis match between the staff and students, led by the Head Boy, Arjun Ghanshala. In an exciting turn of events, the students clinched a victory, drawing loud cheers from the audience. Adding colour and charm to the occasion, the pre-primary teachers presented a spectacular dance performance, followed by a melodious song rendition by Mr. Karan Thapliyal and the Admin Executive, Mr. Sankalp Paul. The celebration truly reflected the joy and spirit of childhood.

Aristotle meets Galileo

The much-awaited inter-house football match finale, like every year, was a sight to behold that kept the audience on the edges of their seats. The field blessed by the presence of our honorary chief guest, The Chairman of Graphic Era group of Institutions - Prof. (Dr.) Kamal Ghanshala Sir and Vice Chairperson (Dr.) Rakhi Ghanshala Ma'am whose words filled the players with renewed confidence and kindled the flame of sportsmanship that lit up the event with the true spirit of sportsmanship and competition.

The match began with fiery intensity and hastily applied strategies, as both sides were determined to claim the trophy. Not long after, from outside the penalty box on the right flank, a wonder goal was scored by none other than Galileo's star player and captain, Shivansh Bhatt. The power and precision of the shot was felt across the field, a testament to hours of relentless practice and hard work. Just as the energy settled from the first goal, momentum surged again, passes received with flow and control accumulating to the ball getting smashed into the goal by none other than the freshly substituted player Saifulla Khan, marking the end of the first half of the match. Galileo's players buzzed with energy and confidence as they held a 2-goal advantage over their rivals, meanwhile Aristotle's confidence had sustained a heavy blow, in spite of not losing a single match before this final match, the players huddled to discuss new strategies and change the course of the game.

The blow of the whistle signaled the start of the second half of the match, the change in the player positions and tactical approach of Aristotle was immediately visible. Through a shocking turn of events, Aristotle was awarded two penalties, leveling the score, both penalties dispatched into the goal by none other than the head boy of our school and the captain of Aristotle, Arjun Ghanshala. His composure and skill gave new hope to Aristotle to turn the tables of the match. As the final moments of the match took place, every moment mattered and every mistake could cost the game, as momentum surged from Aristotle, a pass was intercepted and the ball was with Shivansh Bhatt, as he weaved through the wall of defenders, the audience held their breath in anticipation and as the ball rocketed into the goal, the match reached its conclusion.

As the players of Galileo lifted the trophy with their spirits uplifted and energy high.

Our Chief Guest, Professor Dr. Kamal Ghanshala, along with, Dr. Rakhi Ghanshala, awarded each player with laurels. In addition, a few extraordinary performers were honored with special trophies, recognizing their remarkable skill, dedication, and impact on the match.

Junior Champs on the Field

The 6th Annual Athletic Meet 2025-26, at Graphic Era Global School, held on Friday, 19 December 2025, was a vibrant celebration of youthful enthusiasm, discipline, and sportsmanship. The day's events unfolded in a well-organised and seamless manner, offering a splendid display of students' physical skills and team spirit.

The programme commenced with the unfurling of the school flag by the Principal, Mr. Raj Kumar Trehan, symbolising unity and the true spirit of sportsmanship. This was followed by an impressive house-wise march past by students of Classes III and IV, reflecting precision, coordination, and collective pride. The atmosphere turned solemn and inspiring as the Principal administered the Sports Day Oath and formally declared the meet open. The charm of the occasion was further enhanced by the Pre-Primary walk past based on Uttarakhand to mark its silver jubilee year, a graceful Yoga Drill, and exciting Hurdle Races for the Under-8 and Under-10 categories.

The Pre-Primary segment delighted the audience with a series of engaging and imaginative races such as Pick the Flower, Mini Chef Marathon, Hare and Turtle, and the lively Lemon and Spoon Relay, drawing enthusiastic applause from all present.

The event progressed with a well-synchronised PT Drill, followed by a variety of group races including Ball Balancing, Cone Head Balancing, and Hoopla events for Under-8 and Under-10 boys and girls. The commendable efforts of the young participants were recognised through certificate distribution ceremonies held after the hurdle races and Pre-Primary events.

The grand finale featured the final prize distribution ceremony, celebrating the achievements and participation of the students. The meet concluded on a patriotic note with the singing of the National Anthem, leaving behind lasting memories of a joyous and successful athletic meet.

PRISMAURA

Prismaura 2025 was celebrated with great splendour and enthusiasm on 15th October 2025 at the Silver Jubilee Convention Centre, showcasing the artistic brilliance of the students of Graphic Era Global School. The event reflected the school's commitment to holistic development and cultural enrichment.

The occasion was graced by the esteemed presence of the Chairman of the Graphic Era Group of Institutions, Prof. (Dr.) Kamal Ghanshala Sir, Vice Chairperson (Dr.) Rakhi Ghanshala Ma'am, and Badi Ma'am, whose encouragement added dignity to the celebrations.

The programme featured a captivating dance presentation on the five elements—Air, Water, Fire, Sky, and Earth, followed by a delightful Ramayan enactment by pre-primary students. An impressive English play, The Court Scene from William Shakespeare's The Merchant of Venice, enthralled the audience. The celebration concluded with energetic Punjabi and Garhwali Folk dances, filling the venue with festive fervour. Prismaura 2025 concluded on a high note, celebrating creativity, culture, and student excellence.

Nativity Play – A Message of Hope and Humility

The students of Grade VIII presented a beautiful Nativity Play that captured the true spirit of Christmas. Through graceful acting, meaningful dialogues, and soulful carols, the story of the birth of Jesus Christ was brought to life. The simple yet effective costumes and backdrop added charm to the performance. The play highlighted values of love, humility, peace, and faith, leaving the audience deeply moved. The confident performance and teamwork of the students reflected their dedication and hard work. The Nativity Play was a memorable presentation that spread joy and reminded everyone of the importance of kindness and compassion.

A Bagless Day Out- Field Trip Experience

It was a wonderful morning on 30th October 2025. All children of Grade UKG were eagerly waiting to have lots of fun on their field trip to the places of worship. As soon as we reached there, we got an enthusiastic response from the young learners.

School Children's Congress 2025 - "Waste Management and Circular Economy"

An enlightening session on Waste Management and Circular Economy was held on 28-10-2025, by a collaboration between The Graphic Era Group of Institutions and ISWMAW (International Society of Waste Management, Air and Water) to raise awareness about sustainable living and responsible resource use, especially to reach out to the young minds attending the event.

The events took place in the K.P. Nautiyal Hall of Graphic Era Hill University, and at GEGS campus. Many visionary minds such as the Vice Chancellor of Graphic Era Deemed to be University, Dr. Narpinder Singh, and the President of ISWMAW, Dr. Sadhan Kumar Ghosh, gave their insights on this highly important topic. Their words graced the students with knowledge and rationality which otherwise takes years to develop.

Competitions were held for the students so they could express their thoughts and ideas on the matter at hand through models, essays, and art, and the ones who caught the eye of our esteemed guests with their innovative and radical minds were rewarded accordingly. It is a matter of great pride that Sarah Alvi(8A) acquired the 3rd position in the Hindi Essay Writing Competition (Category B), Ahana Dhawan(10A) acquired the 3rd position in the Hindi Essay Writing Competition (Category C), and Aarav Sharma(8B) acquired 1st place in the Model Making Competition. In the Art Competition (Category A), Vivan (6B) achieved 1st position and Tanu Tanwar (7B) secured 2nd position. In the end, one student from each school was called on stage to give a one-minute speech on the subject. Their passionate words truly left a mark on their peers, staff, and the esteemed judges. Such initiatives not only spread awareness but also encourage the next generation to take steps towards a sustainable future.

Manoharini- "THE BEAUTY OF THOUGHTS"

Held on 27th October, "Manoharini" was indeed an exchange of ideas among students. This was a mock parliament, which means a smaller form of our Lok Sabha, we were given the roles of different politicians such as Shri Narendra Modi, Rahul Gandhi etc. The topic for discussion was "10 years of BJP: Progress or Propaganda?". We had two sides 1st the Ruling party ministers and another the opposition party, where opposition was at par with the ruling party. The mock parliament began with the introduction of all ministers(both opposition & ruling party) followed by a fiery question hour which included all sorts of questions & answers from both sides. At the end of the session all of us became aggressive at some or the other part of the session. We all felt the session was informative & an eye-opening experience as all of us had not got such an encounter before, though imperfections existed, we will address them and strive for improvement with our unwavering dedication to the future as we are not only the Nation's Youth, but the beholders of democracy.

Learning Beyond Books: A Bagless Day at the Cow Shed!

The students of Classes I-II enjoyed a fun and educational visit to a nearby cow shed. The children were excited to see the cows and calves up close. They learned about what cows eat, where they live, and how they give us milk. The caretaker gently explained how to take care of animals and showed the children how cows are fed and kept clean. The visit helped the little ones learn to love animals and understand the importance of kindness and care in a joyful and memorable way.

GEGS Shines at the Times of India Story Writing Competition

Graphic Era Global School participated in the Times of India English Story Writing Competition held under the umbrella scheme "Stories with Ruskin." Students from Classes VIII to XI showcased their creativity through original stories. After an internal selection, the ten best entries were sent forward.

The story written by Ahana Dhawan was adjudged the best from GEGS for its originality and expressive narration. She was felicitated on 14th November 2025 at The Mall of Dehradun by the Times of India.

The school congratulates Ahana on her achievement and applauds all participants for their enthusiastic involvement in this enriching literary initiative.

कुछ खट्टे मीठे अनुभव

शनिवार का दिन था और मैं स्कूल नहीं गई थी। मैंने सोचा कि आज मैं खूब खेलूँगी और मज़े करूँगी। मैं अपने दोस्तों के साथ बाहर खेलने चली गई। हम सब बहुत मज़े कर रहे थे, लेकिन मुझे क्या पता था कि आज का दिन मेरे लिए एक बड़ी परेशानी लेकर आएगा।

खेलते-खेलते मैं अचानक फिसल गई और मेरी उँगली में तेज़ दर्द होने लगा। दर्द इतना था कि मेरी आँखों से अपने-आप आँसू निकल आए। मेरे दोस्तों ने तुरंत मेरी मदद की और मुझे घर ले आए। उस समय मेरा मन घबराया हुआ था, क्योंकि उँगली बहुत सूज चुकी थी।

घर पहुँचते ही मेरे परिवार वाले मेरी हालत देखकर डर गए। मेरा चेहरा पीला पड़ गया था और मुझे चक्कर जैसा लग रहा था। पापा मुझे तुरंत डॉक्टर के पास ले गए। डॉक्टर ने चेक किया और बोला कि एक्स-रे करवाना पड़ेगा। उन शब्दों को सुनकर मैं और घबरा गई।

जब एक्स-रे रिपोर्ट आई तो पता चला कि मेरी उँगली की हड्डी में फ्रैक्चर हो गया है। यह सुनकर मैं रो पड़ी, क्योंकि मैंने पहले कभी ऐसा दर्द नहीं झेला था। डॉक्टर ने मेरी उँगली पर प्लास्टर लगा दिया और मुझे आराम करने को कहा।

शुरू-शुरू में प्लास्टर लेकर चलना बहुत मुश्किल था। मुझे हर काम में बहन की मदद लेनी पड़ती थी। लेकिन परिवार में सबने मेरा खूब ध्यान रखा, जिससे मुझे हिम्मत मिलती रही। धीरे-धीरे एक महीने में मेरी उँगली बिल्कुल ठीक हो गई। अब मैं फिर से पहले की तरह खेल सकती हूँ।

मैं उस डॉक्टर की बहुत आभारी हूँ जिसने मेरी उँगली को ठीक किया। इस घटना से मैंने सीखा कि खेलते समय हमें हमेशा सावधानी रखनी चाहिए, क्योंकि छोटी सी गलती भी बड़ी चोट बन सकती है।

विषय : कल्पनालोक — तितली

आज बाग़ीचे में मैंने रंग-बिरंगी तितलियाँ उड़ते देखीं। उन्हें देखकर मेरा मन भी चाहने लगा कि काश मैं भी तितली होता। तितली बनकर मैं फूल-फूल पर बैठता, उनकी खुशबू लेता और हवा में इठलाता।

अगर मैं तितली होता, तो पूरे बाग़ीचे में उड़कर हर जगह देखता। बच्चे मुझे पकड़ने की कोशिश करते और मैं फुर्र से उड़ जाता। अपने सुंदर पंख फैलाकर आसमान में गोल-गोल घूमना कितना मज़ेदार होता!

काश मेरा यह सपना सच हो जाए और मैं सच में तितली बनकर उड़ सकता होता।

धन्यवाद!!

वर्षा

वर्षा यानी बारिश का मौसम बहुत अच्छा होता है। जब बारिश की छोटी-छोटी बूंदें घर की छत पर गिरती हैं तो बहुत आनंद आता है। जब बाहर तेज बारिश होती है और साथ में हवा भी चलती है तो मौसम और भी मज़ेदार लगता है।

बरसात का मौसम सभी मौसमों में से सबसे आनंद देने वाला मौसम है, और यह मेरा मनपसंद मौसम भी है। इस समय सूखे पेड़-पौधे हरे हो जाते हैं, नदियाँ भर जाती हैं और पूरा वातावरण ताज़ा हो जाता है।

बारिश सबसे मददगार मौसम है, इसलिए मुझे यह बहुत पसंद है।

मराठा वीरों की गाथा

सत्रहवीं शताब्दी में मराठा साम्राज्य अपनी वीरता के लिए प्रसिद्ध हुआ। इसी समय छत्रपति शिवाजी महाराज का जन्म हुआ, जिन्होंने “स्वराज” का सपना देखा और उसे पाने के लिए बहादुरी से संघर्ष किया। उनके पुत्र छत्रपति सम्भाजी भी बहुत साहसी थे। वे तलवार ऐसे चलाते थे जैसे उँगलियाँ चलती हों। दुश्मनों से वे शेर की तरह लड़ते थे और उनकी सोच भी शिवाजी जैसी ही थी। औरंगज़ेब ने उन्हें मिटाने की कोशिश की, लेकिन वह सफल नहीं हो सका।

कुछ पंक्तियाँ शिवाजी महाराज पर—
हाथी-घोड़े, तोप-तलवारें, फौज थी बादशाह की,
पर स्वराज की लौ बुझ न पाई, यही जीत थी राजा की।

किताब

किताब केवल शब्दों का संग्रह नहीं है, यह ज्ञान का अमृत है और देवी सरस्वती का आशीर्वाद। इसका अनादर करना हमें अधूरी समझ और असफलता की ओर ले जाता है।

बस्ते में पड़ी किताब निर्जीव नहीं है। यह सजीव है—अपने पन्नों से ज्ञान की वर्षा करती है और हमारे मन और आत्मा को प्रकाशित करती है।

एक अज्ञानी भी इसे पढ़कर, समझकर सीधे ज्ञानी बन सकता है। किताब हमारी सोच, समझ और आत्मविश्वास को बढ़ाती है।

किताब—सच्चे अर्थ में—ज्ञान की अमूल्य धरोहर और जीवन की मार्गदर्शिका है।

प्रकृति

कुदरत इस दुनिया का सबसे अद्भुत उपहार है। जहाँ भी नजर डालो, हर जगह प्रकृति ही हमारे सामने होती है। जानवर, पक्षी, फल, फूल, पेड़-पौधे—सब प्रकृति के हिस्से हैं। यही हमारे जीवन का आधार है और यही हमारी मौत तक हमारे साथ रहती है। प्रकृति से बड़ा कुछ भी नहीं है।

इसकी सुंदरता का कोई पूरा वर्णन नहीं कर सकता। अगर हम जीवन भर प्रकृति को देखें, तो भी हम इसकी सारी रचनात्मकता को नहीं देख पाएंगे। हमें खुश होना चाहिए कि हमें इस धरती पर जन्म मिला। प्रकृति हमें जीवन जीने की प्रेरणा देती है, हमें शांति और संतुलन सिखाती है।

DOUBLETHINK

Radium stumbled into the lofty therapist's room with a shadow and suit. Every gloomy Sunday he had a schedule from 8-9 PM, his therapist Mr. Argon was at once amused by the former's dazzling glow. Radium had been in jail for 5 years due to him apparently killing 4 coworkers without even moving an inch. Mr. Argon and his species of gases had no effect when being close to radium therefore there was no need of a protective enclosure, Radium did not understand that why some people around him die and some don't. even his closest of friends started to dumbly fear him as the therapist was asking about all the killing moments in his life Radium began to glow and vibrate profusely, everybody in the building were feeling the vibrations .10 minutes later. He was strapped to a chair in a cold vacuum and had an arm severed off. He stopped glowing and then was revealed the cold icy list-Calcium carbonate dead, Magnesium dead, Iron oxide dead. He was crying loudly looking miserable with a mob of elements and compounds next to him. As soon as he saw the mob they started beating him, he was breaking apart but no one noticed. soon he was scattered unable to speak or see, without even checking the PCOCW (public committee of chemical welfare) disposed of him in the stomach of water. No one mourned his scattering even not his therapist, soon whoever got in touch with water found a scattering upon himself. There were many spread but not a single one guessed, 'Poor-five-billion-year-old Radium', it was soon spread that there were rumors about Radium the scattered fellow was killing them. All along the line of miseries no one thought that Radium might just be COMBINING.

Being Thankful

Thank you, God, for the sun shining
bright,
For the moon glowing softly at night,
For the toys we can play,
And friends every day.
Wait — stop, take a breath, and see,
How many good things there are for
me!
We use our kind voice, big and clear,
And say "Thank you!" with a smile
and cheer.
Thank you.

Curiosity will be filled in my Mind

I am so curious about these things.
Why are chillies so spicy?
Why is white not grey?
Why do stars twinkle?
Why do fairy tales have fairies?
The curiosity will be filled in my

Behind the Curtain and Beyond the Stage: My Cultural Fest Experience

The Cultural Fest celebration of my school, Graphic Era Global School, was a day filled with excitement, creativity, and unforgettable memories. Weeks of preparation, rehearsals, and teamwork finally came alive on stage. As a narrator in our English one-act play titled “The Merchant of Venice”, I had the privilege of witnessing both the chaos behind the curtain and the magic that unfolded under the spotlight.

Behind the Scenes:

The backstage atmosphere was a world of its own—buzzing with energy, laughter, and a little nervousness. Costumes rustled, props were adjusted, and our teachers moved swiftly to ensure everything went perfectly. I remember standing near the wings, script in hand, watching my friends do last-minute line revisions and pep talks. Though there were moments of tension, everyone’s enthusiasm made the experience truly special. The cooperation among students and the guidance from our teachers showed me how much effort goes into making a single performance successful.

The Moment on Stage:

When the curtain finally rose, the nervousness melted away. As the narrator, my role was to guide the audience through the story. Every word I spoke felt powerful under the warm stage lights. I could see the audience’s expressions changing with each scene—sometimes smiling, sometimes thoughtful—and that was incredibly rewarding. My teammates performed brilliantly, and together we brought the story to life. The applause at the end was not just for the performance, but for the hard work and teamwork that made it possible.

The Cultural Fest will always remain one of the most cherished experiences of my school life. Being part of the English play, both backstage and on stage, gave me a sense of pride and belonging that I will never forget.
